The Property is submitted to and shall be held, transferred, sold, conveyed and occupied subject to this Declaration and the restrictions contained herein. Highland Reserve may consist of two or more phases, each of which may comprise a number of Construction Sections, as that term is defined in Section 2.4. The Property constitutes Phase I and consists of thirty-seven (37) Lot(s).

## **Section 2.2 Additional Phases.**

- (a) (i) Developer hereby explicitly reserves for itself and any Successor Developer the option, right, power, privilege and authority (but shall be under no obligation), in its sole discretion, without the consent, joinder or approval of the Association, the Board, any Owner, any person having a contractual right to purchase a Lot, any mortgagee or beneficiary of any mortgage or deed of trust on any Lot, or any other person, to from time to time to subject all or part of the Properties described on Exhibit B to the restrictions, covenants and conditions set forth in this Declaration, whether or not such property is contiguous to any other part of the Property, in one or more Additional Phases, in order to extend the scheme of this Declaration to such real estate to be developed as part of Highland Reserve and thereby to bring the Properties within the jurisdiction of the Association. This right to expand the Project may be terminated only upon the filing by Developer of an amendment to this Declaration terminating said option and right. In the exercise of its option and right to submit additional properties to this Declaration, Developer may and shall have the right, in its sole discretion, to add any or all portions of the Properties at any time, at different times, in any order, without limitation.
- (ii) Declarant shall have the unilateral right, privilege and option from time to time to subject to the provisions of this Declaration any additional property not presently described on Exhibit "B" by filing in the Office of the Register for Roane County, Tennessee an amendment annexing such real property or amending Exhibit "B" to add such additional real property to the Properties. Any such annexation shall be effective upon the filing for record of such amendment unless otherwise provided in the amendment. Declarant may assign this right of annexation to any person or entity. Declarant reserves the right to create cross easements and to restrict all properties brought within the provisions of this instrument according to the terms of this Declaration. The Common Areas initially covered by this Declaration shall inure to the benefit of the Owners of any new Lots which may become subjected to this Declaration and the Common Area allocable to the Owners of any new Lots shall inure to the benefit of the Owners of Lots recorded earlier, each to enjoy the Common Areas of the other and to have and to hold the same as if each new Lot had been developed and subjected to this Declaration simultaneously.

## • PROPERTIES SUBJECT 2 THIS DECLARATION •

- (b) The right to expand the Project provided for herein shall include, but shall not be limited to, the right to construct or renovate additional Lots and improvements thereon and to develop additional Common Areas and to submit such land and improvements to this Declaration, thereby subjecting the same to all of the terms, conditions, and provisions of this Declaration as if the same had been a part of the Property on the date hereof.
- (c) Declarant makes no assurances that any Additional Phase from the area included in the Properties will be added to the Project created by this Declaration. In the event that Declarant shall not subject any property from the area included in the Properties to this Declaration, as to the remaining area Declarant shall have, and does hereby reserve for itself and any future owners of such property, the right to construct any improvements it desires on said property and to use and operate said property in any manner it deems desirable, without restriction, it not being the intent of this Article to in any way restrict Declarant of the right to use, convey, lease, encumber or otherwise deal with all or any portion of the area included in the Properties not submitted to the Declaration. This Declaration shall not be deemed in any way to place any encumbrance, restriction or limitation of any kind on the Properties.
- (d) Any additional property added to the Project pursuant to this Declaration shall be submitted to and become bound by this Declaration upon the recording of a Supplementary Declaration subjecting such property to the provisions of this Declaration. Any and all such amendments shall be binding upon the Board, the Association, all Owners, and all holders of mortgages or deeds of trust encumbering Lots, any person having a contractual right to purchase a Lot and every other person having an interest in the Property or any one or more Lots.
- (e) The Developer and any Successor Developer shall have the rights described in this Article II, exercisable without approval of the Association or any Owner, Occupant or other Person. - (f) Notwithstanding anything to the contrary set forth in any other provision of this Declaration, no amendment or modification of this Declaration which amends, modifies or in any way changes or affects the rights of the Declarant provided by this Article may be made or shall be effective without the express prior written consent of the Declarant to such amendment or modification.

## Section 2.3 Supplementary Declarations.

The additions herein authorized shall be made by filing of record one or more Supplementary Declarations in respect to the creation of Additional Phases or the addition of other Properties to be then subject to this Declaration, and which shall extend the jurisdiction of the Association to such property and thereby subject such addition to assessment for its just share of the Association's expenses, and shall also require the filing of such additional plats as are required for such sections in the Register's Office for Roane County, Tennessee. Each Supplementary Declaration must subject the added property or additional lots to the covenants, conditions and restrictions contained herein.

## Section 2.4 Construction Sections.

- (a) The Developer may submit more unimproved property than is immediately anticipated to be used or improved to the terms and conditions of these restrictions, in order to insure and demonstrate its intentions with respect to such property and to assure that such property will be developed subject to the covenants and restrictions contained in this Declaration, and such land shall initially constitute one Lot responsible for its pro rata share of the expenses of the Association and shall be entitled to the benefits of ownership set forth herein. For purposes of voting, a Construction Section shall constitute one Lot.
- (b) No additional "Lots" shall be deemed to have been created on such property until such time as the final plat approving such Construction Section has been approved and recorded in the Register's Office for Roane County, Tennessee. At such time as the final plat is recorded, all Lots depicted thereon, and Common Areas shown thereon, shall be owned and used in accordance with the terms of this Declaration. Each such Lot shall then be responsible for its pro rata share of the expenses of the Association and shall be entitled to the benefits of ownership set forth herein.

## Section 2.5 Association Rights.

The Association, Owner, Occupant or any other Person may not assert as a reason to object to an Additional Phase or to the development plan for such phase the fact that existing Association Common Areas, Private Roadways and other facilities will be additionally burdened by the property to be added by the Additional Phase or that the type of improvement, type of use, or size of Lot in any future phase differs from that of the initial construction in or uses of the Property in Phase I, or any subsequent Construction Section, it being acknowledged that the Developer intends there to be a wide variety of residential buildings in terms of style, size, uses and square footage within Highland Reserve. The Developer reserves the right to modify any preliminary plan or Plat to reconfigure Lots, to designate right of ways and roads as Private Roadways, create additional amenities and revise the location of the Private Roadways or Utility Easements or Common Areas.

# • ASSESSMENTS •

## **Section 6.11 Enforcement of Lien.**

For and in consideration of the privileges, protection, mutual enjoyment and use of the Easements and the improvements contained herein, the receipt of which is hereby acknowledged by the Owners, and any assumption of the obligations by transferees as required hereunder, and to secure the payment of said assessments, principal, interest, and attorney's fees, a lien is expressly retained by the Association on each and every Lot, the improvements located thereon and pro rata interest in the Association.

- (a) For the purpose of better and more effectively securing the payment of said lien indebtedness, rendering unnecessary court proceedings for the enforcement of said lien in the event of the non-payment of said indebtedness and payments thereof, as they become due, and for the consideration of one dollar paid in cash, receipt of which is acknowledged, the said Owners, their heirs, administrators and assigns, hereinafter referred to as "Trustors," hereby transfer and convey unto Richard Evans of Roane County, Tennessee, hereinafter referred to as "Trustee," his successors and assigns, the real estate hereinbefore described, with the appurtenances, estate, title, and interest thereto belonging upon the following uses and trusts:

Trustors agree to pay their pro rata share of assessments when due and further agree to pay all taxes and assessments thereon, general or special, and to pay them when due, and upon demand of said Trustee or the lawful owner and holder of said indebtedness, to pay, discharge, or remove any and all liens (except a Mortgage or Deed of Trust) which may be hereafter placed against said property and which shall adversely affect the lien of this instrument or enforcement of the terms and provisions hereof; to keep the improvements on said property in good repair and preservation, and in case the Trustee or his successors or the lawful owner and holder of said indebtedness shall hereafter be required to appear in any court or tribunal to enforce, or defend the title to, or possession of, said property, or the lien of this instrument, or appear in any court to prove the above indebtedness, all the costs and expenses of such appearance or proceedings, together with a reasonable attorney's fee, shall be allowed, and be payable by Trustors upon demand of the Trustee or lawful owner or holder of said indebtedness, and, upon failure to do any of these things, then said Trustee, or the lawful owner and holder of said indebtedness may do any or all of these things and the amounts so paid shall bear interest at the rate the maximum rate allowed by law from the date of payment and shall be and become a part of the indebtedness secured hereby.

## • ASSESSMENTS •

Now if the Trustors shall pay their pro rata share of assessments aforesaid when due, and pay any and all sums when due, as aforesaid, then this trust conveyance shall be of no further force or effect. But if said indebtedness, or any payment thereof, or interest thereon, is not paid promptly when due, or if, failing to pay said other sums when due, as herein provided, Trustors fail to reimburse the Trustee, or lawful owner and holder of said indebtedness for all sums, with interest, so expended by said Trustee, or lawful owner and holder of said indebtedness, within thirty (30) days from date of such payment, this trust conveyance shall remain in full force and effect, and the said Trustee, or his successor in trust, is hereby authorized and empowered, upon giving twenty (20) days notice by three (3) publications in any newspaper, daily or weekly, published in Roane County, to sell said property at the front door of the Court House in said County to the highest bidder for cash, at public outcry, free from the equity of redemption, statutory right of redemption, homestead, dower, spouse's elective share and all other exemptions of every kind, which are hereby expressly waived; and the said Trustee, or his successor in trust, is authorized and empowered to execute and deliver a deed to the purchaser. The Association may bid at any sale under this trust conveyance. The Trustee may, at any time after default in the payment of any of said indebtedness, enter and take possession of said property, and shall only account for the net rents actually received by him. It is further agreed that, in the event the Trustee fails, before selling said property, as herein provided, to enter and take possession thereof, the purchaser shall be entitled to immediate possession thereof upon the delivery to him by the Trustee of a deed for said property. In case of sale hereunder, the proceeds will be applied by the Trustee as follows:

- (i) To the full and complete satisfaction of the interest of the first mortgage holder, unless arrangements have been made for the assumption of the first mortgage by the subsequent purchaser.
- (ii) To the payment of all costs, charges and expenses of executing this conveyance and enforcing said lien as herein provided; also reasonable attorneys' fees for advice on the premises, or for instituting or defending any litigation which may arise on account of the execution of this conveyance or the enforcement of said lien; also the expenses of such litigation.

## • ASSESSMENTS •

- (b) In case of the death, absence, inability, or refusal to act of said Trustee at any time when action under the foregoing power and trusts may be required or for any other reason, the lawful owner and holder of the lien is hereby authorized and empowered to name and appoint a successor to execute this trust by an instrument in writing to be recorded in the Office of the Register of Deeds Roane County, Tennessee, and the title herein conveyed to the above named Trustee shall be vested in said successor.
- (c) The word “Trustors” when used herein shall apply to parties both singular and plural.
- (d) This transfer and conveyance, and the lien for assessments payable by an Owner which is secured by the transfer and conveyance, shall be subordinate to the lien of a recorded First Mortgage or Deed of Trust or home equity loan on the interest of such Owner, regardless of whether the First Mortgage, Deed of Trust or home equity loan was recorded before or after this instrument, except for the amount of the proportionate share of assessments which become due and payable from and after the date on which the Mortgagee or Beneficiary accepts a conveyance of any interest therein (other than as security) or forecloses its Mortgage or Deed of Trust. While the lien for assessments may be extinguished, the personal indebtedness therefore shall remain and be the personal obligation of the Owner who owned the Lot when the assessment came due. Any delinquent assessments (after lien extinguishment) may be reallocated and assessed among all Lots as a common expense. This Section 6.11 shall not be amended, changed, modified or rescinded to adversely affect the priority of First Mortgagees or Beneficiaries of record, without the prior written consent of all First Mortgagees and Beneficiaries.

- (b) Upon written request to the Board, the holder of any recorded mortgage or trust deed encumbering any Lot shall be given a copy of all notices permitted or required by this Declaration to be given to the Owner or Owners whose Lot is subject to such mortgage or trust deed.

## **Section 15.7 Rights of Declarant to Maintain a Sales Office.**

Declarant, or any other party designated by Declarant, shall have the right to place on any Lot a sales and/or construction trailer and to establish in any residence or other building completed on any Lot a sales office with appropriate signs, and any such sales or construction trailer or building may continue to be used until the complete sales promotion and sale of all Lots, and all residences constructed on the Properties to be sold, have occurred, notwithstanding any other provision in this Declaration.

## **Section 15.8 Books and Records.**

The books and records of the Association shall, during reasonable business hours, be subject to inspection by any Member upon five (5) days prior notice. The Charter, the By-Laws of the Association, and this Declaration shall be available for inspection by any Member at the principal office of the Association, where copies may be purchased at a reasonable cost.

# • GENERAL 15 PROVISIONS •

## **Section 15.9 Rights and Obligations.**

- (a) Each Owner, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration. All future Owners and occupants shall be subject to and shall comply with the provisions of this Declaration. Any restrictions or rules in the By-Laws which are more than administrative in nature such as, but not limited to, reservations and future rights of the Declarant, are hereby incorporated into and made a part of this Declaration by reference. All rights, benefits and privileges of every character hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time any interest or estate in said land, and shall inure to the benefit of such grantee in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.
- (b) All present and future Owners, tenants and occupants of a Lot shall be subject to, and shall comply with, the provisions of the By-Laws referred to herein, as they may be amended from time to time. The acceptance of a deed of conveyance, devise or of a lease to a Lot, or the entering into occupancy of any Lot, shall constitute an agreement that the provisions of the said By-Laws and any Rules and Regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Owner, tenant or occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Lot, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease, thereof.
- (c) The terms and conditions of the Declaration, By-Laws, and Rules and Regulations may be incorporated by reference in, and become part of, the agreement between any first mortgagee and any present or future Owner who enters into such an agreement with a first mortgagee. When so incorporated, any default in the terms and conditions of the Declaration, By-Laws, and Rules and Regulations may be considered as a default by the first mortgagee, whereupon said first mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Owner.

## **Section 15.10 Perpetuities and Restraints on Alienation.**

If any of the options, privileges, covenants or rights created by this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of the President of the United States, George W. Bush.
